“ Gary and Joy were members of the Virginia Classic Thunderbird Club when they were living in Richmond, VA. during the mid-1970s. They had a very nice 1957 Classic Thunderbird which was Inca Gold in color with a white porthole hardtop. I lost track of Gary and Joy after they left Richmond, and I always wondered where they were and what they were doing. Also, if he still had that '57 T'Bird ! I decided today to "google" Gary's name and was saddened to find out that both he and Joy had passed away. They were good people and an asset to our Club. I was hoping to renew our acquaintance and wanted to ask Gary if he was planning on attending the National Classic Thunderbird Convention in Memphis next month (because I plan to attend). Sadly, that is no longer a possibility. My sincere condolences to their children, grandchildren, and other extended family members. Just remember, Gary and Joy are together once again!

“ Our darling boys,
We are so deeply sorry that you have to go through the loss your father so soon. There is nothing else in the world like the guiding of a father's love. May the comfort of the Holy Spirit be with you always. We love you so very much!
