“ I'm so sorry to hear of Gary's passing. I went to school with Shannon and Shawn. He certainly was a patient man to allow us teenagers to spend time at their home. I can remember having conversations with Gary when Shannon and Shawn stepped out momentarily. He had a way of making you feel welcome and spoke to us as young adults instead of kids. My condolences to his family. As long as you hold him in your heart and your memories a part of Gary will be around.
