“ *Gary and I were cousins. We grew up Miles apart and only saw each other occasionally. What I remember the most about Gary was how sweet and kind he always was. Always had a smile and a kind word to say. My prayers are with his wife Charlotte and with Patti and Mickey. May God comfort you all and bring you peace knowing he is with our Lord and Savior.*

“ Gary was such a tremendous friend !! Through the years we shared so many great times !! In 1992 we both brought puppies from the same litter, Zeb and Dewy!! We met at a ETRC dog event and were so lucky that Zeb and Dewy brought us together that day!!! These dogs were special just like Gary. We had no idea that these dogs would take us all over the country chasing our passion !! Mine and Gary's journey together through our dogs, brought a friendship that is truly once in a lifetime !! There are no words that can describe how I feel about Gary and Charlotte, such great people / friends! Sharon and I send Prayers and much love to Charlotte!!

“ Gary was a true friend! We met on the second floor of the refinery during our construction days in 1981. After talking to him for a short period, he invited me and Shumate to meet up at the Hiwassee music festival. From then on, I considered him one of my best friends. We shared a lot of fun times both working and playing. I’ll never forget the “while you’re up” houseboat! Especially right after he bought it and rammed the doors of the locks before turning over the controls to Harry Terrill! I could spend a whole day writing about all the memories, but for now I would like to send my most sincere condolences, thoughts, and prayers to Charlotte and the rest of Gary’s family.
