“ I will never forget me trying to mow twice. I had had a stroke a few years before that. But I was using a push lawnmower. He happened to see me after mowing his cam down and mowed mine. I told my sister she happen to mention it at their class meeting. Well mr. Whaley said, oh that’s your sister? And he mows it again till I got my mower fixed. He was always so kind to me. I would walk up by his home if he was out he would wave or talk sometimes. The sweetest man. I will miss him. I know all who knew him will. My prayers are with you Helen Love you your neighbor 🙏❤️ And family.
