“ *This is in memory of my dad that I never got much of a chance to get to know. I know life can be difficult and I know we didn't get much time together but I do love you and forgive any wrong doings that might have taken place over the years and I hope you can forgive mine as well. You are free of pain now dad free to fly with out anything to hold you down. So soar like an eagle and look down on your children and grandchildren that will cont.to miss you. So many questions we never got to ask you. You had to leave us and swiftly you did but know this dad you will never be forgotten. R.I.P*
