“ *What a blessing it was to grow up in a time where i had a man like Doug Oody to look up to. Doug and Betty would always be at our ball games to give us support. I know Doug would take me, Barry and Keith Hunting and Fishing several times while we were growing up. We sure did have some great times together and I will always remember them. After both of my parents passed away I knew that i could always rely on Doug and Betty for anything that i needed. Thank you Doug for everything you did for me and being the godly man you were, i will never forget you. Mike Weaver*
