“ Gerald Davidson was one of a kind, we were more than neighbors and childhood friends. I loved that man, he was always there anytime you needed a helping hand even if you didn't ask for it. We hunted any and everything together for many years always competing for who got the biggest. Gerald my friend you'll never be forgotten and will forever be missed. God called a great man home & although it hurts I'm grateful your no longer in pain. Until we meet again.

“ Gerald was a great friend! He was a great father and back in the day was a great athlete at Midway schools On the basketball court he was known as Doctor G. because of his smooth moves and his ability to jump out of the gym. On the football field he was a star receiver for the Greenwaves. Later in life, Gerald became the president of the Midway QB club. Always heavily involved with his kids in all sports. I worked with Gerald some at Y-12 and he was highly respected by his fellow workers. He will be missed by us Narramore’s as I’m sure by numerous family and friends.

*I have a lot of fond memories working with Gerald and his crew of employees. He was hardworking and dedicated to his craft. Gerald always wore a smile and carried a cup of coffee in his hand! To his family, I will keep you in prayer as you mourn the loss of your loved one.*

*I worked with Gerald for little over 2 years at Y-12. I knew one I called him on the phone or radio and asked him for something it was as good as done. He had a great way with his crew from what I saw and just seeing him and chatting a few minutes made the day better. He'd always remember where the conversation left off and that was special. From my standpoint he was a fine coworker and a great presence to be around. May he rest easy. Condolences to his family from myself and his friends in Waste Management.*

*Known Gerald for 27 years helped him in little league football never saw him lose his temper with the kids, Great Guy. Best memory was Matt and Logans football team beating the rival team across the river five times seeing them fight each other losing to us , Then after one game celebrating a win eating cake in their stands Mary can verify that. He will be missed in the community Gary Hillard*
