“ *Mr. Ross was truly a wonderful teacher. He started me on cornet when I was in Fifth grade and I stayed in band and in commencement choir until I graduated in '64. He challenged us with music that was beyond our skill levels, such as Overture to Candide.*

I wish everyone had a teacher like this. My condolences to his family!

Karen Timmerman, class of '64.

“ So sorry to hear of Mr. Ross's passing and you are in my heart and prayers. He had a very positive influence on my life as well as the lives of so many in the Kingston area fortunate enough to have known him. I began playing in the Jr. High band in Kingston in the 6th grade, but did not stick with playing the saxophone and quit. A short time later Mr. Ross ran into my Mom (Irene Domer) in front of the White Store and told her he sure hated for me to give up music. He went to his car and brought back a pair of drumsticks and a practice pad and asked that she give them to me. Out of that simple act of kindness from Mr. Ross, I ended up playing drums in the RCHS Band 4 years until I graduated in 1965. After I graduated from RCHS, Mr. Ross called Dr. W J Julian (the famed band director at UT Knoxville) and told Dr. Julian about me. Soon after, I got a personal letter from Dr. Julian inviting me to be a member of the UT marching band (the #1 college marching band in the USA). Dr. Julian obviously had great respect for Mr. Ross. With no tryout or audition required, I was accepted as a member of the UT Band and played until 1966 when I was drafted and went to VietNam. I am so glad I finally sent a letter to Mr. Ross in March 2018 outlining how he never gave up on me and got me started playing the drums. I also thanked him for what he did for me and helping me get into the UT Band that impacted my life in such a positive way. I subsequently called him and will always remember our conversation.

Thank you Mr. Ross, and thank God for bringing you into my life! I will see you and give you a hug when we see Jesus together.

“ My sincere condolences to all the family and loved ones. Mr. Ross shone a bright light at RCHS and was loved and respected. I now live far from Kingston, but often think of Mr. Ross, and value what he taught us. His inspiration and example in so many lives will live on through the generations. He was at once ambitious, kind, strict, friendly and generous. He took the band to march in the Cherry Blossom Festival in Washington, DC, and planned and led a fun, educational tour of the national museums and monuments there. He led the band to glory at marching competitions in our region. What an opportunity it was to be his student!

“ Gerald Ross came to Caney Ford Baptist in 1966 and served as choir director for many years. He has been a vital part of the church life at CFBC as he served along side 25+ pastors and interim pastors. He became a constant part of the church's ministry team and raised his children to do the same thing. Bless the Ross family in the absence of your father, only to be united one day. “ May you Rest In Peace Mr. Ross. I never knew that we shared a birthday. You were my band director for two years because my family moved here in 1971 and I graduated in 73. The trip to Washington DC in 72' was a highlight of my band experience.

“ My sincere condolences to his family and loved ones. I can't help but to imagine him smiling down on any field where the brass section is bright and tight, and everyone is taking exactly eight steps per five yards. I know I have never heard the themes to Rocky and Hawaii 5-0, "Eye of the Tiger," or "Rock Around the Clock " without thinking of him. He taught us a lot, and his enthusiasm was contagious. He sent us into the world with great experiences and precious memories. Again, my condolences.
