“ I don't even know where to begin. I was blessed enough to be Gerrit's teacher in 4th grade as well as 6th grade. He stole my heart then. He was kind, funny, and always willing to be friends with anyone. He really did have the biggest heart! One of the funniest things I remember Gerrit doing is bringing a suitcase full of "stuff" to the 4th grade track meet. He rolled that luggage all the way up to the stadium. To this day I don't know what he had in it. My heart is broken just filled with so many wonderful memories of Gerrit. ❤️

“ My nephew Gerrit was great at showing how much he loved his family. He was a sweet soul who will always be remembered for his great big hugs, big smile, caring ways, and love for his family and country. Each nephew and niece of mine has a special part of my heart. How strange it is when even one part of your heart starts to hurt, your whole heart aches too. May our memories of Gerrit give us some peace during this difficult time.

Remember to take a picture, make the call, hug often, and always say I love you when you leave.

I had been friends with Gerrit since 4th grade. He was an amazing person I'm so sorry for the family and everyone who knew his loss. Rest In Peace.

“My favorite memory of Gerrit, is when I stayed the night (when he lived in Florida with my Aunt Michele) and we stayed up goofing around and listening to some crazy songs he would show me. We did prank calls, sung, threw stuffed animals around, danced and laughed so much that night. He was and will always be my best friend and I will forever miss him.
