“ Tommy. Connie, I'm so sorry about your Mother, she was the life of the party, when we were all growing up on School street, she always had a story to tell you as did your father, they were one of my all time favorite on our block. This was when you knew all of your neighbors. Alvin and Harlan always came down the road and blew the horn.
I truly loved your family as if they were part of my family. My heart goes out to all of you.

“ *Condolences to Connie and Tom and the rest of the family.
Our Family will certainly miss "Mimi". She has meant an awfully lot
to me especially since my own mom, her sister, has passed on. I
will miss our Sunday phone chats and how she kept me "up to date"
about other members of the family. She made me laugh, she made
me cry, and she showed me love every time I talked to her. I am
going to miss her.*

“ *Connie, I was so sad to hear of your mother's death. Please know
that you and your family are in my prayers. I will always remember
Mrs. Feezell at church and the way she and Daddy would joke
around with each other. She could certainly hold her own with
him. I remember her always smiling and being so friendly to
everyone she came in contact with. She was a very special lady.
