“ I always remember going and visiting with Gina, Clay, and their families, when I was younger and as an adult. Gina always made me think of happy times, as well as, Clay. Gina and Clay were not just my friends, but they were so much like family to me. I loved both of them and miss them very dearly. Thank YOU for so many great memories, Gina, I will forever treasure them in my heart!!! 🙏

“ When Gina and I were younger I use to spend time with her and with my Uncle Alvin and Aunt Bernice during the summer's. When I stayed the night with them Gina and I use to sneak out of the house and walk around the streets at like 2 or 3 in the morning sometimes we walked up to 7-Eleven. One of the night's I stayed and we were sneaking out of the house we got caught by my Uncle Alvin boy did we get in trouble, he told us that we couldn't leave the house the next day. Well Gina wanted to meet up with some friends and she asked Uncle Alvin if we could go he said yes. I will always cherish the times that I spent with Gina in our younger years. I will miss her dearly. Fly high with the Angel's my sweet cousin give your mom and dad a kiss and hug for me. Love you to the moon and back.

“ So many memories of our times together. She was an awesome sister in law more sister than in law. She was quite a jokester and one of my fondest memory is when we went to Hilton Head for a vacation with her mom and my sisters Brenda and Belva and she was messing with Belva and changing the tv channel on her. We laughed so much that vacation because her humor and loving ways. Her loss will be very hard to endure but leaning on each other we will get through it. Much love and prayers
