“ *I am so sorry. I am just now seeing this. I knew Gladys when I was in high school. Before she was married and went to T.S.B.C. She gave me a nickname, Punk. Many times I would visit her at her apartment. We would sit and talk about Jesus and read the Bible. I loved her so much. Sorry for being so late with this.*

Heartfelt sympathy. Gladys was always a very pleasant and nice person. My family shares a favorite cake recipe that she gave my Mother many years ago at a Heatherly Family Reunion.
