“ Gladys was a loving and compassionate friend, always willing to share laughter when rejoicing and tears when we wept. Through the many years it has always been a pleasure to call her and John friends. May the God of all comfort, comfort her family and loved ones.

“ Gladys was a life- long friend. Although we were miles apart during these last years, our friendship continued. They were an important part of our earlier life when we lived in Harriman. We spent many hours together and shared both laughter and tears.

Our thoughts and prays are with the family of Gladys at this time.

“ My thoughts and prayers are with Glady's family during this difficult time. I worked with Gladys at Burlington and was in the Jaycettes with her. She was a very hard worker. I always enjoyed being around her and Johnny....she was a wonderful friend! May God bless you with His presence.
