“ *No matter what age we lose a family member, we have never had them long enough but we can keep our memories of them forever just as we keep our memories of classmates and friends. Your family will be in my thoughts and prayers during this stressful time.*

“ *I miss you already..Gladys was a remarkable woman. She came into my life and left a huge mark. We became close when she came to the facility were I work. She was always so sweet and spunky. She has touched so many hearts. She always stuck to her morals and values even to her final days. I admire her for that. My heart is broken for her lovely family. She was loved by many... May you fly free with the angel's , you truly are one now sweetie....*
