“ *In memory of a husband, a friend, a father, a son, a man of great pride. He was a Marine thru and thru. I stood and watched as he came, took his Father's hand, and took him home, and one day he will come, take my hand and I will go and be home with him again. Till that day, I will always LOVE him and miss him with all my heart. As I sit here now, with a tear in my eye, and a heart that is lonely and broke, I can take comfort in knowing that the man that held my heart for so many years, is sitting beside GOD, with a big smile on his face, with no pain to feel, and I know, the day will yet come when I can be beside him, with GOD our FATHER.*
