Tribute Wall

TF

“ I just learned of this tonight and was so saddened! We all grew up as neighbors and friends but were really as close as family! Not all family has to be blood related. We share so many childhood memories and love. Your entire family will be in our prayers! May God's peace comfort each of you as you learn to live without her in your presence. Her memories will always remain because death cannot steal those from us!
Teresa Gibson Fort and family
