“ Terry lit a candle in memory of Gloria Jeanne Kennedy

“ It is only human to feel sad at times like this. However, I can see my Aunt Jeannie shouting and singing Glory to our Lord and Master. She is dancing in her new pain free body on streets of gold. Residing in her new mansion for all the good deeds that she had perform while she was temporarily living on this place we called earth. A cousin recently said even though as hard it is because we don't want to let go, it's not a time to be sad and not be selfish but it's a time to rejoice for our loves ones that had passed because they are in a far better place than we are in the present. For the family, you all are in my prayers. I am here for any support, you know where I am.
God Bless.
