“ So thankful our last words the day before she left us were telling each other we loved each other. Her memory is my keepsake, with which I'll never part. God has her in Heaven, I have her in my heart.

“ Expressing all of the memories I have both of our families does not seem possible at this time. When I look back on the impression Gloria left on my life. Her captivating smile and impressive laugh will always leave a bright memory. I do not know if you guys remember the Friday and/or Saturday nights at either one of our homes, but they were symbolic of true friendship that our families share, even now there is a bond. Gloria sent me a picture of R.L. just some years ago, about ten years after dad had past away. She always sent us a Christmas card and they always are on our tree. Enough rambling. I hate that I could not be there but please know, my thoughts and prayers will be with all of you. God Bless.
