“ Martha, Mom and I are so sorry to hear of your loss. Mike was a special man, so caring and giving. We enjoyed our time greatly at the Picket Fence. I know he will be greatly missed by those left behind, but just for awhile, then you'll be, once again, together. You and your family are in our prayers!

“ I would personally like to thank all my family and loved ones for all the prayers, love and comfort during my brother’s illness and passing. I woke early this morning and sat outside, on my front porch, enjoying this beautiful morning listening to the birds sing. That was something that Mike enjoyed doing. I couldn’t help but cry this morning wishing that Mike and I were on the lake fishing. The great memories, I have of my brother, will keep Mike alive in my heart the rest of my life. Mike was not only my brother, he was my fishing partner and buddy. When I spoke to Mike, he was always concerned about me. In his mind, it was never about him. To all his friends and family, it was, what can I do to help you? Mike was a giver and loved his family dearly. Our comfort is knowing that Mike is with Jesus and has no more pain.

Thanks again for your love and comfort for my family,
Pat
