“ *My deepest sympathy to each of you. Your entire family has certainly touched my life in many wonderful ways, and Herb's life was indeed a blessing to me and his encouragement to me as a young musician meant a lot to me. I still think of him sometimes when I play hymns as preludes before church services. Peace be with you all.*

“ *My prayers and thoughts are with you at this time of sadness for your family.*

The Christian hope promises there will be a reunion where joy will never fade and parting from loved ones will be nevermore.

In your tears and grief remember that promise. Jesus never forgets His children.

May the Holy Spirit be with you all in the days and weeks to come.
