“ Herman... blessings on your newest adventure!
You are remembered

"For what is it to die but to stand naked in the wind and to melt into the sun?

And what is it to cease breathing, but to free the breath from its restless tides, that it may rise and expand and seek God unencumbered?

*Only when you drink from the river of silence shall you indeed sing.
And when you have reached the mountain top, then you shall begin to climb.*

And when the earth shall claim your limbs, then shall you truly dance."

- Kahlil Gibran

“Dear family, I just wanted to let you know you are in our thoughts and prayers. May the Lord wrap his arms around you and give you peace. We were all so blessed to have known Homer. He did work for the Woody family for many years and was a very dear friend. We always looked forward to seeing and talking with him. I know he is safely in the arms of God and look forward to seeing him again.

“ It is with a heavy heart that i wright this. When i think of Homer i alway's laugh. The time's he would run me, Rhonda, Carmen and Kim out of the kicthen at 1:00 in the moring for cooking. He would yell at us to get back to bed. We would all go running knowing that he was never really mad at us. The time's i spent with all of you are some of my best memories. Homer was turly a great man a second Daddy to me and i lov'ed him so. May the grace of God hold all of you close at this time. Love Cricket.
