TO

“ *My heart is heavy today. I've been remembering and thinking about Ira since his passing and his impact on my life. Ira and I were part of the founders group of the Master Gardeners of Roane County (MGRC) back in 2005. To me, he was my friend, fellow Master Gardener, confidant, leader, patriot and one heck of a marksman. Ira was a serious man. Over the years, I watched the impact Ira had on those he was near. He was loved and respected by all who knew him. I will never forget him. His legacy lives on. Rest In Peace my friend. Condolences to Peggy and the whole family.*
