“ *I am truly sorry to hear of the family loss. I was able to speak with Bea a few times over the phone and so wanted to share old photos...that mother had, but that time has gone. With that we must continue to focus ahead, and know there were many happy times in the past.*

“ *I was never able to meet Bea in person, but I did talk to her on the phone many years ago. She was the one I happened to write to when I was researching our Yates family in TN. She told her son Tooter about the letter and he called me. The rest they say, is history. May she rest in peace. Love and prayers to all the family from Jim and I here in WA.*
