“ *Isaiah was truly one of a kind. A loyal friend and was always the one that could make you laugh. He was genuine, loving, and supportive. He will be dearly missed by all that had the pleasure of knowing him. My deepest condolences go out to all family, Lacey, and friends during this unfair and tragic time. We must lean on Gods understanding and make a point to come together and be there for one another. We must remember to let Isaiah's light shine in us and through us in all that we do. Until I see you on the other side sweet friend! Love you forever!*

When he was little he was always in and out of my house playing with Kerri and Nick. He use to call me mom. All the kids did. I loved him like he was my own. As he got older we kept in touch. This is breaking my heart. I am proud so proud of him for giving it his best shot. I will always remember him and miss him. He is an angel now.
