“ We just learned of the passing of J.D. Our memories of this man bring smiles to our faces. J D. and three of his boys (Danny, Dennis and Dale) built our home. The experience was a fantastic introduction to our chosen retirement location. The experience was simply wonderful! The honesty, the care, the workmanship, the character of this family was exceptional. J.D. and the boys created a home where we hope to live until we also pass. J.D. and June also created an exceptional family that we were blessed to share time with. We will be thinking of you family members as you adjust to life without the physical presence of J. D. but with a wealth of memories!
