Sorry to hear of our good friend passing. He was instrumental, in removing the sign from the South Harriman High School building. And took good care of it for me. It is now the monument on the corner of Ruritan Rd. and hwy. 27 in South Harriman. The South Harriman Alumni thanks You Roy, may you rest in peace. You will be missed.

*Roy had such an enthusiasm for life and enjoyed each moment. It is an honor to have known him and to know his family. I will always remember Roy for his vision from blueprints to completion of so many amazing buildings throughout the area. Such a craftsman, friend, and just an amazing all around gentleman. My families sympathy to the Frost Families. You will be in our prayers for the days ahead.
