“ A light for JT and his family and loved ones. I hope each of you can find your way during this dark time . Though I hadn't seen JT since our class reunion in 1994 I have many fond memories of him. He was always eager to say hello and catch up on all the news. He was always kind to me. I hope JT has peace and hope the family has much love of those who surround them during this sad time. We're never ready to say "good bye" and it seems so premature for his short time here on this earth. May those who are so broken hearted at this time find some comfort in the happier times and memories they made together with JT. May God bless you and keep you safe.

“ To all of the Woods' family,
We am so sorry to hear of j.T.'s passiing and may God comfort each of you. There are no words that can comfort you during a time like this. However I do know just knowing people are lifting you up in prayer and are grieving right along with you helps you to get thru.

I was a childhood friend of J.T.'s and all thru the years when I would see him he was always the same upbeat person with a BIG smile. I know that Roane County will be at a loss without him as well as your family will be.

I know thru God's help you will get thru this and as time goes by the pain will lessen but you life will never be the same.

I lost two brothers in 1996 and still greive when I think of them. So keep yours eys on the Lord because Heaven just got a little sweeter when J.T. went to be with him.

*Love to all of you,
Darlene(Carter) and Gary Lands*

“ Dear Woods family, friends, loved ones:
Your Jimmy was a wonderful friend to so many and we were fortunate to have known him! I remember how he kept everyone on the basketball teams laughing constantly - he was such a joy to be around. He NEVER failed to smile, laugh, and give hugs and we all will miss the fun of just being with him. May GOD give you peace and comfort during this time of sorrow.

“ His smile was beautiful and his laughter was infectious. He had a heart of gold and he will be forever in mine. Our family may never know why but He certainly knew when to expect him. God rest your sweet soul JT...I just can't believe that you are gone from us now... I had hopes that we would grow old together. I would have never dreamed otherwise. Your love of life and family was always in your eyes and in your voice. Today and from now on, we see the world without you in it and it is a much colder place than you would ever have imagined.

“ JT was a man who loved life as well as family and always was looking at things with a smile on his face.His running joke with me was he would someday be my next husband and every time we saw each other we would comment on when we might be together....JT was a great soul who never seemed to let the world bother him or at least we thought so...Look at all your loved ones and tell them how much they are loved and wanted because sometimes we dont get another chance.....rest in peace my love....Martha Robinson

“ Horace Ray, Pat, Brenda, Charlene, Kitty and Bina: You all are special in my heart as so was Jimmy. I am sadden to loose Jimmy but know that someday we will meet again. Jimmy loved to laugh as each one of you do. That is one thing that Aunt Tinny and J.T. instilled in each of you, find something funny in everything helps get through it easier. I treasure our times we had together! I love each of the Woods' family and always will. I am sending hugs to each one of you and tears from my heart ache!

“ Since childhood Jimmy always had a pleasant smile on his face and a great disposition. One of my earliest memories of Jimmy was while at his fathers Tropic Trailer Sales business in Midtown, trying to learn how to whistle loud, the kind of whistle that you can hear far away as he described it to me. This was around 1963, so Jimmy was about 7 years old. and I was about 10 at the time so I was an old timer to Jimmy.

I'll miss you my friend.

“ J. T. was very special to me as all of you are. I have known all of you for a very long time. I remember your Mom as a special lady who was always available to help at the Midtown Elementary School where I worked and where most of you attended school. I can still see J. T. coming into Mama Mia's restaurant and kidding with me. I would always put a kiss on his "bald head" and kid him about talking so much. He always said hello no matter where we might meet. We have lost a good man that will be missed for a long, long time. My thoughts and prayers are with all of you. Put your faith and trust in the Lord to help you through the coming days.
