JE

“ All of us that knew Jack, will greatly miss his presence. But He is never really gone from us, because he always gave us a part of himself. We are so fortunate that our Lord gave us a mind that recalls a person in so very many ways. In words, music, smiles we carry with us and memories that never will be gone... Those we love are never really lost to us - For everywhere their special love lives on. My sympathies, Jo Ellen
