“ *To all of Kyle's family - it was truly an honor to meet all of you  
yesterday. Kyle will be missed on so many levels - he made an  
impact on every person he came in contact with and countless  
hearts are saddened by his passing. I've never known anyone who  
could make a work day as much fun as a day at the beach. We as  
individuals and the world as a whole are a better place for having  
had Kyle here, even for such a short time.  
God bless you all.*
