“ Jack,

*My best friend, hero and my biggest cheerleader! Thank you for everything you have done in my life especially the lessons you taught me of getting rid of hurt, anger and bitterness. You made me into a forgiving soul who for the past 15 years loved life no matter how hard or cruel it can be. I now teach Bella those lessons thanks to you!*

*I've always admired how great of a dad and grandfather you are! Loved the pictures you shared and the pride you have in those grandsons.*

*Thank you for taking me to the go cart races with you, Corey and Wes. Also for helping my parents when I wanted to travel. Dad couldn't have done it without your help and guidance.*

*You have touched so many lives and made our lives better!! I'm so thankful God put you in mine and my family's life and I got to share some of your family's life too. You and Vivian did a great job raising those boys!*

*Our family sends love and prayers for your family and friends.*

*You will truly be missed and forever loved, but never forgotten!*

*Thank you for the wonderful memories! I know Heaven will be even brighter now with you there.*

*Belinda Voiles Hardwick, Bella Hardwick, Billy Voiles, and Barbara Voiles.*

“ Wes, I was so sad to find out about your dad. Didn't really know him but always enjoyed seeing his involvement at ball games. Other than Randy, you are my very favorite person of your generation. Now and always you have my best wishes.
