“ Our hearts are saddened learning of Ozell's passing. For many years, we counted on his outstanding HVAC service and appreciated his commitment and professional knowledge. Through those years, he became a friend, and we learned that he had extensive knowledge in so many other areas as well. Our thoughts go out to his family, and especially to Matthew.

*My prayers are with the family during this most heartbreaking time. Odell was a good friend from the day I met him years ago. We had many laughs together as well as sadness when my spouse Ed Keys passed. Ed told many stories of Ozell during the long years of their friendship and working together. They are together discussing a/c and reminiscing in heaven. Our Christian faith gives us comfort in being with our Heavenly Father. We will all be together again in new bodies. May God comfort each of you at this time. Karen (Keys) Beu*
