“ Shannon, Ronda, and Pat, so very sorry for your loss. Jackie was always a big part of our Emory Heights Community. He was a good and decent, hard working man, and a wonderful neighbor and friend, but more than that he was the father to some of my dearest childhood friends. Please know that the pain that you feel now is shared by all those who love you. It really breaks my heart for all the hurt that your family is having to endure at this time. May God help you find the peace and comfort to help fill your days ahead. God bless you all.

*With much love from our family to yours,

“ Brandon, we are so sorry to hear about your grandfather. Mr. Thompson thought highly of him. I wish I could have come to see you, but I didn't realize that was why you were absent until too late. Please know that we are thinking about you.
Love, Mr. and Mrs. Thompson

“ Our thoughts and prayers are of you all during these times of feeling the loss of a loved one. We do however have an occasion to rejoice because Jackie is at home with Jesus right now. In fact, since one day is as 1000 years with the Lord, you could say that he's been there for a while now. I can say this comfortably because I was there when Jackie and Patcelia prayed to receive Jesus Christ. We love you all.

“ To Pat, Shannon, Rhonda and family, I so sorry to hear of Jackies, passing. He was a great co-worker, but most of all a great friend to me. He stood tall and faithful, stedfast in his beliefs, thru the years of troubles and trials at work. I pray God will give you comfort and strength through this time of greiving and for the days to come.
