“ Jack was a wonderful man and had a marvelous family. He left us all with a deeper understanding of what service to our community and to our world really means. Goodbye to my old tennis buddy...we are greatly reduced in number but are strong in spirit for our mutual love. I will miss you Jack...

“ Jack will be surely missed by everyone. He was good friend and boss. He as well as Sally's death leaves a hole in the community. God bless the family.

“ I became acquainted with Jack via mutual friends in the Hosiery business in the Sweetwater Area. Jack attended many of the Boy Scout Camporees that I attended as a Scout Master from Etowah and the Hunter-Ewing Fish Camps on Wattsbar Lake and listening to his Lymric jokes at fish camp.

I enjoyed his participation at a weekly meeting for lunch each Thursday of mutual friends. He was always fascinate about my height (I am 6 feet, 9 inches). I will miss him.
