“ I had an idea that there might be a site for Jackie like this one. I'm so glad that I found it so I can tell her family how much she meant to me. It was love at first sight for me the day that I met her and that love has continued to this day. My youth and stupidity kept me from asking for her hand in marriage, but I was happy for her when she found Eddie. If you want to question me or yell at me, my email is je r0725@gmail.com.
