“ *To the Family of Mr. Galyon:
I'm very sorry for your loss. I worked as Mr. Galyon's secretary in the late 60s thru the 70s, starting with Union Carbide. He was a nice man and treated everyone with great respect. May the memories of your "loved one" serve to strengthen you during this time of bereavement and in the days, months and years ahead. God Bless!*

“ Dottie/Vickie/Marvin Lee,
I just want to say how very sorry I am for your recent loss of Marvin.
I know that this is a sad and difficult time for you.
At times like this our faith serves us well. We can take solace in
knowing that Marvin has gone to his eternal rest. He lived a faith-
filled and upright life and he will be remembered for all the good that
he did in his lifetime. Our whole family (Ralph & Bonnie Scarbrough
& girls - Belinda, Donna, & Sandy) always thought the world of
Dottie & Marvin.
I ask that God bestow His choicest blessings on you and your
wonderful family. May your faith give you the strength to carry on.

“ It is hard to bury one that you loved that had so much influence on
you growing up. Mom and I talked yesterday about the times with
you guys as we were growing up. She sends her love,
Remember the joys, the laughter, the fun. Thinking of you all .

“ *Dottie, Vicki and all of the Galyons, It's so hard to be so far away when something like this happens; but love, friendship, and prayer has the ability to cross many miles. Marvin was a very special man who was blessed with a very special wife and a very special family. There are no doubts he is home with his Savior and we will see each other again. My love and prayers are with you.*
