“ A lot of my fondest memories in life were causing a ruckus with jimbo as kids in emory heights. we were like brothers until I moved to florida, his dad always treated my and jimbo like brothers. I still tell those stores about jimbo, tom and ronnie, about all the mischief we got into. i could write a book about jimbo and babe manis and myself. wish i could go back to those days of my youth. will miss you jimbo rest in peace old friend..

“ I can remember Jimbo as a young man , he and my youngest sister dated for several years. Jimbo was always very polite and a good kid. I will always remember him as family because that is how he was looked at in my families eyes, he was a hit wonder with my daughter she loved him so much and still has often ask wonder where my BOBO is and what he is doing. Now I have to break this sad news to her . May he rest in peace and may god be with the family of Jimbo in this time of need.Rest In Peace My Friend.F22
