“ *Bobby, Norma, Doug: My heart goes out to all of you at this difficult time. I pray that God holds you in His arms, and gives you comfort. He loves you and He cries with you. Just know that Louis is in a better place in heaven; and God is holding a spot for the rest of you. I remember so many things about Louis. His sense of humor, his smile and his love of life. He was one of the best dancers I ever met. Love to the entire family.*

“ *To all of Louis' family and loved ones, We deeply regret your loss. We live seconds away from Louis. And rent one of his homes. Louis was sincerely generous and understanding. Very funny, liked to tell stories, and loved to go dancing . I have never met anyone, so well into there years that got around like Louis. He was truly outgoing until the end. Eddie loves to hear him talk about his past and any story that came across his lips. Louis will truly be missed, we are happy to have met him. Even for the short time we have known him. I am sure he is dancing in Heaven.....*

*God Bless to all of his family and friends.
Sincerely, Wells Family*

“ I am sorry to hear about Louis' death. I was the nurse at Roane Electric and got to know him well in the years I was there. He was a very nice person, considerate and well thought of by his co-workers. He always had a smile on his face , a chuckle in his voice and just a little mischief hidden behind his smile. He like playing pranks on his co-workers and they loved him for it. God Bless your family at this time.

“ Doug, Norma, Bobby, sorry for your loss. I'll remember Louis for his humor, his spin on politics, and his famous rendition of the Jitter Bug. Happy trails Big Louie.
