“ Jim and Daisy have been good neighbors. Jim never hesitated to share kindness with a word of encouragement and humor with us and our children. Our family has been blessed because the Jackson's have been our neighbors. He will be missed. Our prayers for comfort are with Daisy, the children and grandchildren. May God bless each of you.

“ We have so many wonderful memories of Jim. He and Daisy were good friends of my parents over the years, and then of ours when we moved to Tennessee. We loved Jim's sense of humor, and his honesty and integrity. The world is a better place because of Jim's place in it. We will miss Jim. We thank God for Jim's faithfulness with his family, his church and his friends. Rest in peace, Jim.
