“ Our family will always remember Mr. Jenkins. His human spirit had no boundary, he had an endless amount of love and kindness that will never be forgotten. We regret that we were not able to see him, talk to him and hug him for one last time. Our last memory of Sherman was him standing strong on his driveway, waving goodbye to us beside his Cadillac. Now we say goodbye to you our dear friend. You will always be in our hearts and mind. To his family, we are sorry for your loss- our thoughts and prayers are with you all.
