“ Precious Leona,
We have just learned of Everette's passing. We surely wished you had told us. We loved him and the great times we had singing. Wayne's health is not good, but we would have got one of the boys to bring us to the visitation. We love you.
God bless you.

“ We were so sad to hear of uncle Everette's passing. Although we didn't get to visit as much as earlier years, we have many good memories of him to treasure. He loved to tease and he had a wonderful laugh. You didn't have to be around him long to know he loved the Lord and that is a comfort to know we will see him again except with no more pain! If there is anything we can do to make it easier for you, Leona, please let us cause we love you too! We will be praying for you.
