“ I have great memories of spending time with Jim and Rich. Jim would keep us laughing and was always a great friend to have around. We always had fun going to movies, concerts, or cruising around in his Camaro (or "Berlinetta" as Jim called it). Jim will be missed by everyone that had the good fortune of meeting him.

“ As I was talking to my parents, Leonard and Shiela Morris, today, they told me of Jimmy's passing. It was a pleasure to grow up just down the road from his house. Jimmy always had a smile to share. Our hearts are with you at this time.

“ I was thinking about me, Jim, and Rich just last week. I started laughing about some of the crazy things we did. Jim kept us laughing so much that it actually hurt sometimes. The world will never be the same without brother Jim here, but heaven is surely smiling just a bit wider.
