“ I remember Jim with great fondness from his time at the University of Tennessee. I was his advisor and always looked forward to his visits. He was smart, funny, serious, and warm-hearted all at once. We had a good relationship, and I am shocked at his passing. Please accept my deepest sympathies, and know that he and you will be in my prayers.

May his soul and all the souls of the faithful departed, through the mercy of God, rest in peace. Amen.

“ Your family is in my thoughts and prayers...Jimmy was such a sweet young man. I was a sophomore taking Alg 2 when he came into our class as an 8th grader...I remember thinking then how brave he must have been to walk into that class of older kids...and intelligent! Years later, I had Peter in the Gifted class that I taught at CMS & I realized just how wonderful, brave, & intelligent your entire family is....He was an amazing young man & I'm glad that I had the chance to know him those many years ago. Sending lots of prayers to you all.
