“ Jim was a super nice guy, and you didn't have to be around him long to tell that. My brother and I met him through the Roane County Amateur Radio Club. I know he is having a ball in heaven right now with Jesus, even as I write this, so I don't feel sorry for him, but it hurts whenever we lose such a valuable and genuine person from earth. Been praying (and will continue) for his wife Laura and family, for the Lord to strengthen and comfort you.

“ I've known Jim & family for several decades, worked with his Dad, Carl, @ TVA's Widows Creek FP when they lived in Jasper, TN. Visited them after they moved back to Kingston, & Jim & I got together when he came down for TVA Fire Training School. I was very happy that Jim made Unit Operator & only had a few years till retirement. We had talked about another "get together" somewhere this summer. K4APY has gone 10-7, last call. KDB4646 bids you farewell, see you @ the Rainbow Bridge.

“ I also met Jim in the SGPO training class at Kingston. I will always remember him and those days in class. We had a lot of fun and made lots of memories in those trailers outside the plant. We survived training and made it a great career. He was always kind and willing to help at anytime. He will be missed. May God bless his family

“ Jim and I have been friends for 37 years although I moved away we always stayed in touch. He reached out to help me when I was at my lowest and he helped me to find peace through a storm. I have never had a friend so loyal and I know God is telling him well done. To his family know that absence from the body is presence with the lord and we that believe will be reunited. And thank you Fred for being so a good friend to our Jim.

“ Jim was my last Nephew and almost like a Son. He was smart, friendly, and helpful in many ways. My brother Otis died in Mississippi in December of last year at age 90, and Jim made many trips for about 6 months from Tennessee to help him any way he could. They don't make many as intelligent, friendly, and helpful as James "Jim" White, My love and sympathy goes to each one of his family. I know I will miss him, and I believe he has gone to be with his Heavenly Father. Lonnie Miller, Foley, Alabama

*Mr. Gamble, Daddy loved your class and utilized the skills he learned throughout his life. He did all of our own home remodels and repairs.
