“ WOW, I'm lost for words! I was in shock when I found out about Jamie's death. Jamie was my classmate and not only that, he lived up the street from me. I can't imagine what his family is going through. My heart definitely goes out to the family

“ *I am very saddened to hear about your family's loss. I grew up playing various sports with Jamie and Jason and they were always great guys. Although I have not seen Jamie in many years, he left a great impression on me just as I am sure he has many others. Please know that my thoughts and prayers are with you during your time of loss.*
