“ *Peggy and Kathy,*

*We were saddened to hear about your sweet mother's death. She was such an instrumental part of the neighborhood when we were growing up, always friendly, kind, and interested in our activities as children. Our mother loved her and always enjoyed interacting with her before and during their time at Wood Village. Even when they both had limitations in conversing later in life, they sat together, held hands, and had an unspoken understanding of a deep friendship.*

*Her life will be remembered by us and all she touched. May you find love and comfort in your memories.*

“ Peggy and Kathy, my heart is with you at the passing of Aunt Jane. She was a kind, wonderful woman and I will miss her dearly. She took such wonderful care of Stephanie and me when we lived with you all so many years ago. Who else would be willing to take in & care for a 6 & 9 year old when she already had 3 girls of her own. You ALL were so kind and loving to us. I will always feel so close to Jane and love her with all my heart. So sad that she is the last of the Saffell siblings to leave us. I know that Sam, Hope, Sam Hines, Tom, Becky and Patsy will welcome her with open arms and be rooting for the Vols from heaven. Love Cari
