“ *Ms. Janice was my friend when I was a little girl. I would beg my dad to take me to her shop so I could listen to her stories and explore all the rooms filled with relics. Ms. Janice would answer all my questions patiently and seemed to enjoy my visits as much as I did. Many years later when I returned to Kingston after a 10 year absence I visited the shop and it was closed. I just learned of her passing today and regret not tracking her down.*
