“ I believe I have never had so much laughter with any one friend than Jan. I also know there are few people capable of thinking as deeply as Jan. She was open-minded and whenever we communicated there were lessons in store.

I will forever cherish knowing Jan, along with knowledge she brought to an event I held in Tampa, and the many memories she put into my own memory book. I am sad her precious life was cut short because her love for family abd friends was divine. Yet, I find happiness in knowing I had the honor of meeting such an honest, kind, loving person in my lifetime.

*My condolences,
Jill R*
