“*Mr. Arthur worked with my husband's father, Grady Chancey (GW Chancey) and carpoled to work with him for many years. We have known Mr. Arthur to be such a kind, good man and I know he will be missed so much by his family and friends. We haven't seen him in a while, but we have always thought so highly of him. We did not realize he had passed away until today or we would surely have come to the funeral home. Sincerest condolences and we will keep you in our prayers.*

“*My love to you J.D. I have so many memories of playing in your backyard and being around your house through my whole childhood. The times I have spent with you, Thelma, Sarah, and Aaron, and the rest of the crew are some of my most treasured childhood memories. I have truly been blessed by you and your family. I know Thelma is glad to have you back by her side. Rest in Peace J.D. you will truly be missed! And, I will always wave when I pass your driveway!*

“ I just want to say that you don't meet many men like J.D. Arthur. He is a very careing, passionate, loving, kind,respectful, and I could go on and on man. I have had the pleasure of helping take care of him during his time of sickness, and especially the last four days of his life. I would go to work, leave work go straight to Kingston and be by his side. I also was with him the last hour of his precious life. All I can say is that I love this little man with all my heart. J.D.(papaw) would not let you leave his house without kissing you on the cheek, telling you that he loved you and would see you later. I will miss this little man so bad, even if it was taking him to the doctor, going out to eat, aiding in his sickness, talking to him about what might make him feel better,or just sitting around the house going down memory lane with him and Brian. R.I.P. J.D.(Papaw) Arthur.
