“ I only knew Jean in chat (for years lol) but I always felt she was a friend. She was funny and sharp and truly lived a full life. She shared her talents and sometimes made the rest of us tired just listening to all her projects. She was such a lovely woman to talk to and I will miss her cheerful take on life. God Bless all of you who were close to her (especially her husband, George). I will cherish my memories of her.

I knew Jean from Chat and will always remember the gift of laughter she brought to all of us. Jean was always upbeat, always funny and we all understood just how much she loved her family. I shall miss her but am grateful for the fun we had together and the sharing of our faith. Angels will welcome her to heaven and help her family as they grieve their loss. My thoughts are with them.
