“ Girls,

Its so sad to hear about the passing of your mother. My parents (Lynn & Jean Estes) thought the world of her and enjoyed always talking to her and getting a Christmas card each year. Hope each of you are at peace knowing where she is. Our dad passed away on February 4, 2012, so he will look after her up in heaven.

Once again sorry to hear about your loss.

A Sweetwater friend from years ago.

“ Well, we booked our trip to France today. I know you are so so happy that we are all going back to visit your family. We are all very excited to have the opportunity to go back. We plan on staying with Tonton Dedou and he will never be the same after having us girls with him. I know your sisters are excited to see us and hopefully they will see a little of you in all of us and get some closure to your passing. Well, it never goes without saying that we miss you here as much today than the day you went to heaven. I love you momma...Gros bisous...

“ Today we honor and celebrate you, once again. I cannot believe it has been a year since you have left us and entered your pain free life in Heaven. I was told by a friend that there is no sense of time in Heaven, that I will be counting the days, months and years until I see you again. Well, I am....Its hard not to think of you wherever I go because I have many enjoyable memories of you everywhere. I miss you and my fefe sooo much but I know in my heart both of you are where you are suppose to be. I miss you, think about you, talk about you, EVERYDAY...I love you so much momma!!! oh yea, thanks for giving Dad the strength to deal with us. I know we drive him crazy but I really don't think he would want it any other way. I know you are proud of him too!!!

Well, you know I have knocked another one off my list and I do not have to tell you what it is b/c you know. I was so happy to get that news and I know that you were smiling from ear to ear. Well, I went to the doctor today and stopped by and gave Betty from the cancer shop some of your things for people that are less unfortunate. I told her that you have take great care of them and that you would expect the same from the people she gave them too. Well, mom.....I miss you everyday more and more but I know you are pain free so enjoy.....Once again, take care of fefe(i know she hasn't left your side b/c she loved you and plus she doesn't play well with others.) “ Mom, I got news yesterday of a friend that got some bad news from her doctor (but they are sending it to vanderbilt for a second opinion) I spoke with her today and told her that I cannot imagine the thoughts that are going through her mind. I got my strength to talk to her through your journey that you had in your life, especially the past two years. She is trying to remain so positive for her girls but I see it on her face that she is hurting so bad. I told her today that I cannot imagine what went through your mind especially the last 2 months We talked about alot of things today and I left her knowing in my heart that she knew that she has my support. I know that she has a long journey ahead of her with chemo. Please watch over her and guide her and give her the strength she needs to continue to get better. Also, watch over her family, especially her 2 girls in this difficult time. Mom, I know if there is anybody that can watch over her with God it is you.

As for me, I still miss you everyday and the above story is bringing back so many memories of your battle. I believe that every person comes into your life for a reason. I believe I am in her life to help her deal with this and I know I can give her strength through my journey I had with you and it will give her the HOPE she needs to move forward....

I love you so much and my fefe too!!!!

I can just imagine all the conversations that you have been having with your family and friends. Christmas is only 4 days away and I honestly have to say it will not be the same without you here. I know that you will be there in spirit and we will need to pray for Dad because I honestly do not think he realizes what a headache we are on this day.(so maybe come to him in a dream and warn him or atleast give him some pointers. lol) So, I know that you know what is going on with Sarah and that you are watching over her. Mom, I know that she is tired but please help her get back to Tn where she belongs. Also, Thomas, Nini and I are going to the beach on your Boo's birthday.(him and Nathan are suppose to go but we will wait and see) I know what you are thinking and probably saying and I can see that smile now. So to end, you know you are in my thoughts daily and I miss you dearly. Joyeux Noel and Gros Bisous.....I know you are taking care of Fefe...just make sure you love her for me. I miss her too!!!

“ Mom,
Its been 1 month today that you went to Heaven. There are so many questions I wish I would have asked you while you were here. It seems like it has been forever since I saw you. I think of you all the time. We talk about you all the time even dad has some funny stories he has told us. He calls and checks on us all the time. Pamela told him that he was going to have to cook for Christmas and he said he would cook a ham and stove top stuffing and she said no let NINI make the stuffing it's like mom's. I'm going to try my best to fill your shoes but it's not going to be easy.
Dancing with the Stars comes on tonight and I know how much you loved that show, but maybe you have already been dancing with Tonton Roger which is even better. We are all going to walk in the RACE FOR THE CURE in 1 month with pink bertes in your memory. I hope you will be able to watch over us cause were doing the 5K and we are not 5K people. I hope you will come to me in my dreams one night like Imogene visits Dwight. I love you very much , mom and I miss you very much LOVE NINI

La disparition de « Tatan Jeanine d'Amérique » nous rend bien triste.

Nous garderons en souvenir une grande Tatan pleine d'énergie, de dynamisme et de gaieté. Lors de tes venues en France, c'était un véritable événement dans la famille à Valence, tu incarnais un petit peu le rêve pour nous les plus jeunes.

Nos pensées vont à Belinda, Donna, Patricia et Pamela et sommes de tout cœur avec la famille.

“ *C'est avec beaucoup de peine que nous avons appris la disparition de Jeanine notre "tatan d'Amérique".*

Jeanine était et restera une grande figure de la famille Lebras - Ravel.

Son appétit de vie, son optimisme, son franc parler, son courage, son attachement très fort à sa famille la caractérisaient et faisaient d'elle une femme exceptionnelle.

J'avais le bonheur qu'elle soit ma Marraine. Depuis mon enfance jamais elle n'oubliait un seul de mes anniversaires. Les cartes qu'elle m'adressait, était toujours pour elle, l'occasion de donner des nouvelles et d'établir une chaleureuse et longue communication.

Nous ne la voyions pas souvent. Alors ces venues en France étaient toujours un événement fort et particulier. Chacun essayait de se "l'accaparer" un peu, conscient que nous étions de la rareté de l'instant ou nous l'avions avec nous !

Patricia, Donna, Belinda, Pamela nous vous adressons toutes nos pensées émues et nous vous témoignons toute notre affection ainsi qu'à votre Papa " le Smidi" comme l'appelait l'oncle ROGER.

“ *I had the priviledge of meeting this beautiful woman while she was in the hospital even then she was so gracious and elegant. I could tell within minutes the great love she had for her children and family. She touched my heart with her stories and the will to hang on to every minute of life spent with the love ones around her. I am only saddened that I did not take the opportunity to meet her earlier in life. I know she will be truly missed by all that knew her. My thought and prayers are with family and friends during this time but know that she is now in heaven where there is no pain or suffering...To my best friend my heart is hurting for you but know that I love you an I am here for you..*

Je ne t'oublierai jamais . Je garderai le souvenir d'une tatie généreuse qui aimait la vie, les gens, une forte personnalité. Tu n'oubliais jamais aucun anniversaire .Même loin tu pensais toujours à nous. Tu as rejoint papa : "Gastounet" comme tu l'appellais, le jour de son anniversaire . tu m'as dit " j'ai des filles formidables"je suis bien entourée. Mes pensées vont vers elles et Quinton. Sois en paix.

Nous prions pour toi.

I love you tatie Jeanine

“ To the most courageous, loving and caring mom. There are no words to describe how I will miss you. I know that you will always be watching over us and keep us strong. As the words from a song that I find great comfort in goes.....

" I Close my eyes and I see your face. If home's where my heart is then I 'm out of place. Lord won't you give me strength to make it through somehow. I've never been more homesick than now. In Christ there are no goodbyes. In Christ there is no end. So I'll hold onto Jesus with all that I have to see you again. "
I love you Mom

“ To a wonderful, loving, caring and devoted mom!!! Mom, I am saddened by your passing and will miss your comfort and touch. Knowing that you are now the newest angel shining down on us is the best comfort I can have. I know that you and dad I have made me the person I am today and I will not disappoint either of you. I miss you dearly. I love you, mom

“ You Mother was a great and strong person. She was so lucky to have such a wonderful and loving family who stood by her in her time of need. My thoughts and prayers are with each of you during this time. She is free from pain now, and walking with the Lord in Heaven.
